

CAP MN Wing Flight Clinic

This event is the 2016 CAP MN Wing Stan/Eval Flight Clinic ground session. Agenda items are listed above. CAP pilots must attend the ground session before a funded instructional flight will be authorized.

This is "virtual WINGS event", NOT a real physical meeting. The purpose of this "event" is to give WINGS credit to MN Wing CAP pilots who have already attended a presentation of the Flight Clinic ground session at their local squadron, presented by their local CAP instructor.

(Don't come out to the North end of Lake Elmo, MN airport (21D) on Sept 15 expecting an event.)

Directions: North end of Lake Elmo, MN airport (21D).
Luscombe Lane.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
